We apologize if these photos have caused you any serious discomfort! But it is for the sake of justice that we, the New Federal State of China, have made these pictures public. Because the friends of the communist are our enemies.

We will not allow anyone to steal from the Chinese people!

We will not allow anyone to enslave the Chinese people!

We will not allow anyone to abuse our children!

These pictures show only the tip of the iceberg of what is important in the Chinese Communist Party's Blue-Gold-Yellow (BGY) program. They take advantage of all those Western politicians, celebrities, and their families who are greedy for Chinese wealth, and threaten them by getting hold of and recording their sex and drug videos, forcing them to sell out their countries and people, and even their own national security in order to cooperate with the Chinese Communist Party's world domination.

U.S. presidential candidate Joe Biden is 100% controlled by the Chinese Communist Party as one of the most successful political instances of the BGY program. He is also a target of the CCP's 3F plan, which aims to "fall, fail, and fell," to weaken, destroy and kill America!

The Chinese Communist Party's use of this tactic to threaten Biden and his sons and to bribe them with large amounts of wealth is one of the major causes of the disputes over the South China Sea, US-China trade, intellectual property rights, and energy prices, etc., as well as Biden's provision of large numbers of CIA intelligence agents in China to the Chinese Communist Party.

The Chinese Communist Party has such a BGY program in the United States and in several Western countries in Europe. We will have millions of videos and photos of government officials, corrupt people, traitors, and criminals colluding with the Communist Party to dominate the world.

It doesn't matter what country you come from, what ethnicity or color you are, or what party you belong to. The next person to be abused may be your daughter, your wife, your sister, so there are no party or ethnic borders when it comes to eliminating the Chinese Communist Party.

More to come!
